**Metro:** Take the Green line and get off at McGill. Follow the signs towards “De Maisonneuve” to exit the station.

1.

2.

3.

4.

Once you exit the metro station, turn left to go through the construction site.

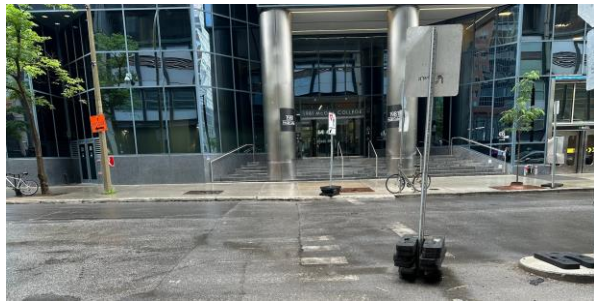

5.

6.

7.

Then, head left on De Maisonneuve Boulevard (see the map below). Continue down De Maisonneuve.

8.

9.

10.

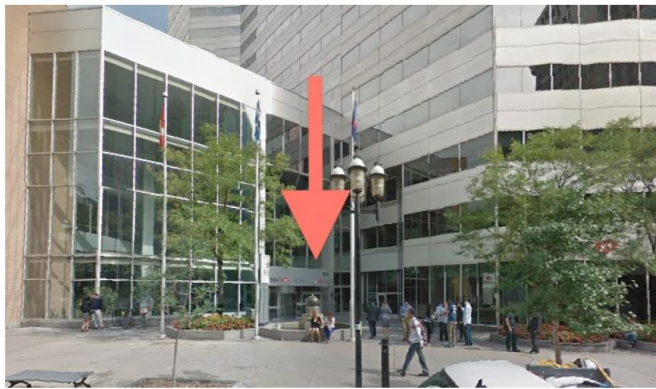

Turn right on McGill College Avenue.

Head to **2001 McGill College** (about a 3-min walk from McGill metro to our building). Our building will be on your right, and the entrance is here...

11.

12.

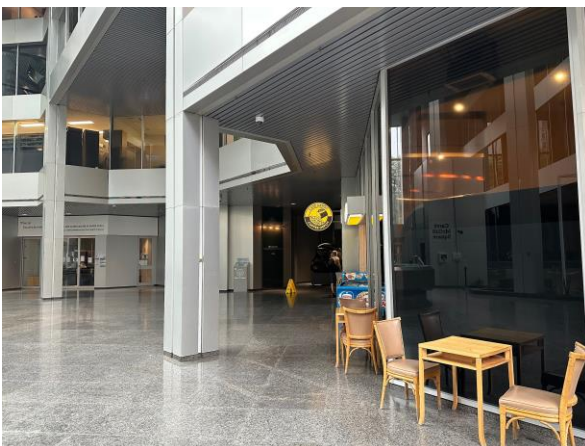

A lab member will be waiting for you in front of the elevator, holding the poster below, to accompany you to **room 835**.

Once you are inside the building, you will find the elevators next to the coffee shop to your right, Please make sure to take the elevators at the end of the hall, close to the wall, as the furthest elevators reach the 8th floor (the ones closest to the coffee shop are for floors 14 and up).

13.

14.

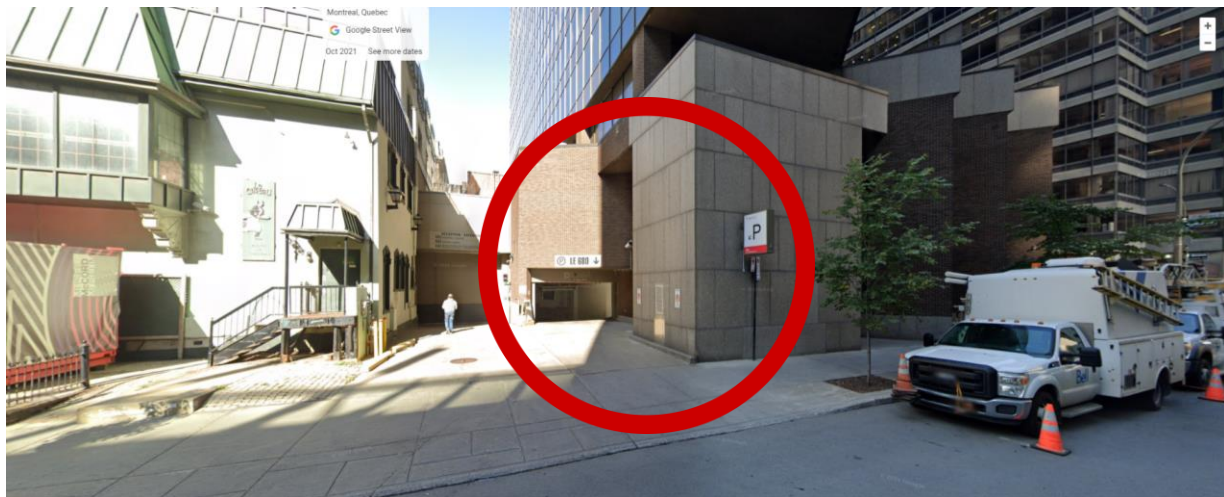

15.

**Car:** Head to 680 Av. du Président-Kennedy, Montréal, QC H3A 2A5.

This is the address of the underground parking that is closest to our lab, and for which we will provide the parking pass. The parking lot entrance is marked by the red circle in the image below:

1.

How to get to the underground parking lot:

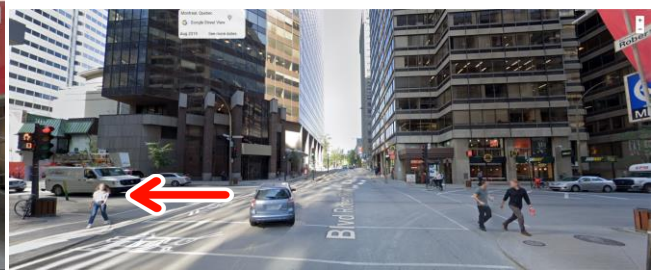

Upon arriving at the corner of Robert-Bourassa and President-Kennedy (see street view images below), turn left on President-Kennedy avenue.

2.

3.

Once you are on President-Kennedy avenue, the parking lot will be to your right. Warning! The entrance to the parking lot can easily be missed - it is hidden behind the corner of the following building:

4.

Please note that a team member will be waiting for you at the entrance of the parking lot holding the sign below (see image), and will guide you to our lab:
